## K.K. GUPTA

Founder Director

Mr. K.K. Gupta founded Omega Career Institute in 2009 with a clear vision—to guide and educate students for success in pre-medical entrance examinations. Starting as the Managing Director and a dedicated Biology faculty member, he laid a strong foundation built on commitment, quality education, and student success. Over the years, Omega has grown into one of the most reputed coaching institutes in Eastern Uttar Pradesh. Under his leadership, the institute has successfully mentored more than 35,000 students between 2009 and 2025, producing over 5,000 doctors who are now serving in reputed hospitals across India. K.K. Gupta has not only focused on student success but also contributed significantly to the academic ecosystem by nurturing new teachers and providing high-quality faculty. His efforts in academic resources, including the development of excellent study materials such as the renowned NCERT-based books, have further strengthened students' preparation. Despite facing numerous challenges along the way, his dedication to excellence and unwavering commitment to students have remained constant. As Omega Career Institute embarks on its new session 2026–27 with the inspiring slogan “एक नई सोच”, it continues its mission of delivering top-quality education and achieving outstanding results in pre-medical entrance exams. With a new management team and renewed energy, we extend our best wishes for continued growth and success. Omega is poised to reach even greater heights in the years ahead.

## VIKRANT SINGH

Manager

Contact No. 8795 39 29 19

Success in pre-medical exams requires more than just books—it requires the right environment. That's where Vikrant Singh comes in. With a rich legacy of 25+ years in management, he ensures that every student at Omega Career Institute feels heard and supported. Known for his frank and understanding nature, Mr. Vikrant Singh maintains an open-door policy, personally assisting students in resolving their issues and guiding them toward their medical career goals. His ability to manage top-tier faculty while maintaining a familial atmosphere makes him a favorite among everyone on campus. When you step into Omega, you're in the expert hands of a leader who truly cares.

## Er. NAVEEN DIXIT

**Managing Director/Physics Expert**

Er. Naveen Dixit is a highly experienced Physics Mentor with a B.Tech degree and over 15 years of teaching expertise. Known for his simple and easy-to-understand teaching style, he is very popular among students. He has successfully guided more than 2000 students toward achieving their dream of pursuing MBBS. His polite nature and student-friendly approach make him one of the most respected mentors in the field.

Er. Deep Maurya is a dedicated Chemistry Mentor with a B.Tech degree and over 10 years of rich teaching experience. His unique teaching strategy focuses on building concepts from the basic level to the top, ensuring strong fundamentals for every student. He is especially known for making Organic Chemistry feel as simple and enjoyable as a poem, which makes him extremely popular among students. Beyond the classroom, he truly cares for his students regularly visiting hostels, monitoring test performance, and providing personal attention to help them improve. His ever-smiling nature and supportive attitude make him not just a teacher, but a favourite mentor among students.

### Er. Deep Maurya

Chemistry Expert

Er. Arun Tomar is a highly experienced and result-oriented Chemistry Mentor with nearly 18 years of teaching excellence. Known for his energetic teaching style, his enthusiasm reflects clearly in the classroom, keeping students engaged and motivated. He strongly believes in conceptual learning, ensuring that students develop deep understanding rather than rote memorization. Throughout his career, he has guided more than 2000 students in achieving their dream of becoming doctors. Apart from teaching, he is deeply committed to student success—regularly tracking their performance, motivating them to improve, and providing the right guidance at every step. His dedication, experience, and passion for teaching make him a trusted and respected mentor among students.

### Arun Tomar

Chemistry Expert

Arjun Sir is a highly experienced and result-oriented Botany Expert and NEET Specialist with over 10+ years of teaching experience. He has been associated with reputed institutes like PW, Sarvottam Career Institute, Kota and RCC where he mentored thousands of medical aspirants with a strong focus on concept clarity and exam-oriented preparation. He has successfully guided and mentored more than 5 lakh students across both online and offline platforms. Arjun Sir has been part of academic teams that produced outstanding results, including top ranks in prestigious medical entrance exams. His teaching approach is centered on deep conceptual understanding, NCERT-based preparation, and smart problem-solving techniques, ensuring that students not only learn effectively but also retain and apply concepts in exams.

**Arjun S. Patel**  
Biology Expert

Mr. Manish Gupta is the Head of the Biology Department at Omega Career Institute, bringing with him over 15 years of rich teaching experience. He has been associated with several reputed coaching institutes across the country and has successfully mentored numerous pre-medical aspirants. With his deep expertise in NCERT Biology, Mr. Gupta ensures that students build strong conceptual clarity, which is essential for excelling in competitive exams like NEET. His teaching approach is student-centric, focused on simplifying complex topics and making learning engaging and effective. Beyond academics, he actively guides and counsels students, offering continuous support and motivation whenever needed. Mr. Gupta is known not only for his subject mastery but also for his commitment to nurturing confidence and discipline among his students.
