LEBEN

BAFFLE CEILING

about **US**

LEBEN™ is a formidable array of decorative building materials. We at Leben consistently strive to bring the latest products and solutions in Flooring, Wall Coverings and Ceiling products from across the globe to your very door step. Our Products are manufactured globally to the highest European and American standards, built and tested to last a Lifetime.

Established in the year 2015, we have grown exponentially from offering a single solution to more than ten different types of Decorative building materials in a meagre span of seven years. We have sold and installed more than 50 Million Square feet of flooring, wall coverings and ceiling products since inception and our inventory is ever increasing with over 300 models in stock for the offering.

Head quartered in New Delhi, Our network is rapidly expanding with hundreds of retailers across India joining hands with ours to offer true luxury thats durable and affordable.

Baffles#

a
modular
ceiling system
thats
**beautiful
&
robust**

Create stunning ceilings with superb acoustical properties that command attention and add a vibe to your space. Baffles provide access to the plenum for easy repair & maintenance. Flexible options to switch between partially open or fully closed ceiling. Built to last a lifetime and Quick to Install with the possibilities of relocation makes them truly versatile.

areas
of
application

leben Baffle Ceiling is ideal for large spaces where acoustic performance is critical such as airports, transport hubs, waiting halls, auditoriums, hospitals, Hotels, restaurants, convention centres, etc. Baffles not just improve acoustics but add a touch of warmth and break the monotony of such spaces.

For Indoor Use Only

Captivating look, better **acoustics**

KEY ADVANTAGES :

- Stunning Aesthetics
- Quick installation
- Noise Reduction
- Modern linear appearance
- Relocation possibilities
