

**LEBEN** | WPC TIMBER TUBES

## about US

LEBEN™ is a formidable array of decorative building materials. We at Leben consistently strive to bring the latest products and solutions in Flooring, Wall Coverings and Ceiling products from across the globe to your very door step. Our Products are manufactured globally to the highest European and American standards, built and tested to last a Lifetime.

Established in the year 2015, we have grown exponentially from offering a single solution to more than nine different types of Decorative building materials in a meagre span of seven years. We have sold and installed more than 50 Million Square feet of flooring, wall coverings and ceilings since inception and our inventory is ever increasing with over 300 models in stock for the offering.

Head quartered in New Delhi, Our network is rapidly expanding with hundreds of retailers across India joining hands with ours to offer true luxury thats durable and affordable.

## Our Clients !

# WPC  
**TIMBER**  
TUBES

Presenting a remarkable combination of nature & technology, that offers a highly **Superior, Resilient** and **Cost effective** alternative to real wood timber. Created from the fusion of hardwood fibres with polymer resins, WPC (Wood Polymer Composite) Timber Tubes are Pre Finished, Ready to Install, completely **Water Proof, Termite proof** and durable enough to last a life time.

areas  
of  
**application**

Leben Timber Tubes can be used to replicate the look of wooden beams & columns on walls & ceilings and to create partitions in homes, offices, hotels, healthcare, educational Institutes, health clubs, recreation facilities, etc without the fear of deformation, discoloration or going bad.
